CLIENT TESTIMONIALS

“As my company grew, the needs of our team evolved. We’ve worked with NAI Wisinski of West Michigan since day one, and I appreciate the care Hillary Taatjes Woznick takes to understand our business model and how our team collaborates. She's an excellent advocate who's been able to find us exceptional space at each state of our development. We've outgrown two offices since we met Hillary and the NAI team, and she's once again outdone herself in finding us a new space that better meets the way we use our office post-pandemic.”

-MARY ANN SABO, OWNER OF SABO PR

“Hillary is an unconventional broker with an unconventional method and unconventional results. If you want a standard experience and standard results look elsewhere, if you want the best stop looking.”
