Commercial Property Manager

BACKGROUND & EXPERIENCE

Kali Loggins brings more than 13 years of property management experience to the NAI Wisinski of West Michigan team. Her background spans a wide range of real estate operations, and her four years as a licensed Realtor add another layer of expertise for clients who value dependable guidance and a steady hand.

Kali is an active member of IREM and is committed to best-in-class management practices that support owners, tenants, and long-term asset performance. She takes pride in building strong relationships and creating environments where properties can thrive.

Originally from out of state, Kali has called Grand Rapids home for the past eight years. When she is not supporting clients, she is usually outdoors with her three boys, making the most of West Michigan's warm-weather season, hiking local trails, and finding new ways to enjoy time together as a family.
